MENPHIS APPEAL

MEMPHIS.

ALBERT PIER

amunity in the conduct of the war. England never pretended to be merciful to the Irish Catholics, and blew Indian a terrible how! about the severities of its officers toward negro rebels in Jamaica. ATTILA and TAMERLANE and ALVA never undertook to read lessous of mercy and compassion to others. The United States hastened to acknowledge the inbosom of prostrate Poland, and Circassia was vaigly struggling under SCHAMYL against the Russian battalines, for freedom. The United States sympathized. States that claimed the right to nationality. To-day they connive at the Fenian invasions of Canada, and sympathize with armed rebellion in Ireland. though they have not only just crushed rate nationality, but have reduced ten of them to Provinces, governed by Military Satraps, and deprived them of all protection of the laws, and denuded them of the very rights of man which their own fundamental declaration of principles

mount to all powers of legislation. permits himself to be persuaded by coniderations of policy, and to conciliate the tiger of radicalism, to send a General to whom the charities of war were always wholly unknown, and one of little repute, as we know, among respectable ister to Chile. The Spanish fleet bomafter due notice to non-combatants, and forthwith the whole Pecksniffian nature of the United States, concentrated in that remorseless raider, is horrified at the outrage on humanity; and, incapable of silence, breaks out in virtuous protest, and condemnation of that cruel violation of the merciful usages of war; and operations, but out of sheer hate of South protest and repudiation? Carolina and its women and children, sling, to compensate for the self-imposed dishoner? There is the rescript—"Do

British plan of creating a Kingdom of have no lot or part in the matter.

Lower Canada, in 1840, etc., etc.

"Any invasions of the rights of the people of British North America, made in the interest of monarchical governments and against the wishes of the people of the people of the interest of monarchical governments and against the wishes of the people of the Constitution, ment become part of the Constitution, if it can. It never shall become so by which is people of the interest of monarchical governments and against the wishes of the people of the interest of monarchical governments and against the wishes of the people of the interest of monarchical governments and against the wishes of the people of the people of the interest of monarchical governments and against the wishes of the people of the people of the interest of monarchical governments and against the wishes of the people of the people of the interest of monarchical governments and against the wishes of the people of the people of the people of the interest of monarchical governments and against the wishes of the people of the people of the people of the interest of monarchical governments and against the wishes of the people of the interest of monarchical governments and against the wishes of the people of the interest of monarchical governments and against the might become a pensioner of the might become a pensioner of the might be people of the ments and against the wishes of the peop.
